

We are sorry for your loss

Mamie's Poppy Plates is grateful to be able to provide you with a tangible memory of your child. Our keepsake plates are customized with your child's hand/ footprints, name and birth information. While we know this will not fill the void of your loss, we hope this plate will bring you some comfort during the grieving process and allow you to share your child with others.

- The plate is provided at **no cost** to you. All plates for this hospital are donated by someone who has also experienced a loss or has a close connection to someone who has.
- Each plate is created especially for you.
- Your bereavement nurse will help with filling out the order form, obtaining the prints and providing them to Mamie's Poppy Plates.
- Our plates are hand-painted by our artists in Little Rock, AR and will be shipped directly to you 8 - 10 weeks after we receive the order.
- If you have questions about a plate order - please e-mail Kris at hospitalse@mamiespoppyplates.com.
- If you would like to pay it forward - you can donate a plate to another family at www.mamiespoppyplates.com.
